Institutional support and HotCRP (conf. review Process)

TQC 2026 ?

Min-Hsiu Hsieh

Director of Hon Hai (Foxconn) Quantum Computing Center, Taiwan

Steering Committee Member

- ✓ TQC 2026 will be hosted in Sherbrooke, Canada from August 31 to September 4, 2026.
- ✓ The PC chair will be Rotem Arnon-Friedman.

Note: QCrypt 2026 will be hosted in Ottawa, Canada, the week before (August 24–28, 2026)

Announcements about TQC'27

✓ We are looking for organizers for TQC 2027!

If you are interested, please send us a letter of intent by **December 1, 2025** with the following information:

- Name and affiliation of main organizer
- Possibilities of conference dates
- Location and size of intended conference venue

The steering committee will then request the top contenders to submit a full proposal

(Details can be found on the TQC webpage.)
